New York, NY (Vocus) December 23, 2009 -- PDATrade.com, one of the premier mobile financial data applications for iPhone, Blackberry and Windows Mobile devices today announced a significant price initiative! \$9.95 per month! Sign up for a full year and get it for \$99.95 an even bigger price break. Give a gift of PDATrade to someone or get it for yourself.

Sign up for PDATrade.com's streaming financial data application by March 31, 2010 and get PDATrade Basic for \$9.95 per month. This represents a 50% discount from the listed price. PDATrade will honor this price for 12 months from the date of sign up. Present customers will be given an opportunity to take advantage of the price reduction as well.

PDATrade customers access Portfolios, Market Data, Charts, Market Movers and so much more using their mobile devices. Streaming data constantly updates the user with the latest financial information usually reserved for professional brokers or PC desktop applications. Now like everything else that mobile users have come to demand and expect, their investment data can follow them where they roam at little cost to them.

PDATrade has made the application and new pricing available immediately through the iPhone App Store. Blackberry and Windows Mobile Users can sign up and download the application directly to their device by going to pdatrade.com/installs.

The company has additional product announcements scheduled

About PDATrade.com:

PDATrade.com is the NYC based developer and marketer of PDATrade.
