

## PDATrade, Inc More Functionality, More Features

PDATrade, Inc., a [mobile financial data application provider](#), announces the release of the latest version of its premium application, PDATrade, with two brand new features.

New York (Vocus) June 25, 2009 -- PDATrade, Inc., a [mobile financial data application provider](#), announces the release of the latest version of its premium application, PDATrade, with two brand new features. [Market Movers](#) gives you the biggest gainers & losers and the most active stocks for all three major exchanges. [Dow Components](#), a unique feature, gives you real-time snap quotes for all 30 Dow Jones stocks (updated automatically every few seconds). PDATrade provides real-time streaming quotes, market stats, news, charts, and more on a user's Blackberry or Windows Mobile device, giving access to the stock market anywhere, any time.

“In these volatile times, it's very important for investors to be able to monitor the market anywhere at any time. PDATrade puts the market right at the user's fingertips” said Mohammed Islam, President and CEO of the company earlier today.

What is PDATrade ®?
